**DINplus Certification of wood pellets according to DIN EN ISO 17225-2 (2014-09) and DINplus Certification Scheme (2020-01) – Procedure No. 3351342 – Registration No. 7A373 – First sublicense certification – Brands: "EcoPellet", "Martyna"**

Dear Mr. Pawlowski,

Thank you very much for your application for the sublicense certificate for the brands "EcoPellet" and "Martyna".

We are pleased to inform you that basing on the positive assessment of your application, the sent documents and layouts of these brands we are able to award you the sublicense certificates with the registration No. **7A373** for your products "EcoPellet" and "Martyna".

That entitles you to use the quality certification mark **DINplus** on the certified product.

Please find attached your new certificates.

Please pay attention that you can find your certificate in our online database (<https://www.dincertco.tuv.com/?locale=en>), as well. Just put in a search field your registration number.

Finally, please find enclosed our invoice 50215285 dated 2021-03-26 for the rendered services of DIN CERTCO. We kindly ask you to authorize the corresponding payment.

Herewith, the file having been handled under the procedure number 3351342 is closed.

We are very pleased to have done this certification procedure for you.

If you have any questions or comments, please do not hesitate to contact us.

Yours sincerely,
